Opening and Victory Banquet

We will ask one month before these events about your participation.

Specially we like to know the estimate of bowlers and guests that attend the opening.

We have a pretty good idea about the victory banquet but we ask that as well to make seatings and table planning.

We have an unofficial "Opening after party". Midnight Sun at terrace overlooking Katajanokka Island to the west/southwest. Rooftop Terrace & Lounge is located next to the hotel.

Car Park

There are two car parks at the hotel.

20 – 28 euros per day. No reservations in advance. Very limited number of free places. First come, first served. No certainty of a free parking space.

You can park your car also at Tali Bowl.

25 euros for championship week. Payment at Tali. No reservation needed. You can go as you please and leave your car at Tali and take the shuttlebus to hotel.

Ball Park

One ball park at Tali

Another, bigger one, at the hotel.

Tali Bowl is closed on Sunday 29th. Bowlers have to take all bags, balls and belongings from Tali to hotel Saturday after the finals at the latest.
